Utility Name: Marion Co Water District
State the nature of your concern: RE: 2021-00394 Service Type:Water Filing Date:10/27/2021
Category:Regular Utilities: Marion County Water District My husband, Charles and I are against a more than 25% rate hike for water. We farm 412 acres and water our livestock via municipal water. Farming markets are low these days and would cause a financial hardship on us if our bill increases 25%. Thank you for your understanding in our concern. Happy Thanksgiving!
